

TOP OPHTHALMOLOGISTS

B. Bruce Myers, M.D., F.A.C.S.

Dr Myers has the honor to have been chosen by the Consumer's Research Council of America as one of the nation's Top Ophthalmologists four years in a row. Dr Myers had been recognized for his contributions in refractive cataract surgery as well as advanced oculoplastic techniques. He participates in research studies as well as educating his peers and has earned a place in the "crème de la crème" of his field. Recently Dr Myers has been featured on 2 prime time specials as well as ABC News, America's Health Network and Fox National News "Ask the Expert" in various ophthalmologic topics. Dr Myers also regularly contributes to "Seeing eye to eye" on local talk radio WBZT. In addition, Dr Myers' practice is currently being filmed for a documentary special highlighting the most technically advanced and professionally run practices in America.
